- 1. LANDLORD reserves the right to assign dock space, but all efforts consistent with good business practices and the rights and desires of other Tenants will be exercised in an effort to assign dock space desired by the TENANT.
- 2. The LANDLORD reserves the right to lease or refuse to lease to person for any good or pertinent reason.
- 3. It is agreed between both parties that the TENANT shall not assign, transfer or permit the use of assigned space to any other party without written consent of the LANDLORD.
- 4. TENANT agrees that reasonable and customary use will be made of the docks and facilities covered hereby, and that no unnecessary wear and tear, disturbance, nuisance, rubbish or garbage will be permitted on the dock or premises, and that the TENANT will keep dock and premises covered hereby free and clear of gear, tackle and all other obstructions and further agrees to throw nothing, including treated and or untreated effluent or sewage from heads or holding tanks in the harbor or basin.
- 5. Any infraction of the rules and regulations contained herein or as posted in the office by the LANDLORD shall, at the option of the LANDLORD cancel this lease agreement upon ten (10) days' notice and the TENANT shall remove his boat from the harbor and premises.
- 6. If TENANT desires to dock a boat other than the one described within said TENANT must first secure permission of the LANDLORD and pay any additional fees as applicable.
- 7. The use of Harbor or Marina electrical outlets for the operation of power tools, battery chargers, welders, air conditioners, heating units, etc. are prohibited except by special permission.
- 8. The LANDLORD cannot and does not guarantee the continuity of electrical service where provided.
- 9. The use of torches or open flame, inflammable or toxic removers, or any other hazardous equipment is prohibited.
- 10. The LANDLORD will not be responsible for delays in hauling, launching, winter lay-up or commissioning, occasioned by inclement weather or any other circumstances beyond its control.
- 11. A TENANT may work on his own boat if such work does not interfere with the rights, privileges and safety of other persons or property. The LANDLORD shall reserve the right to require any outside mechanic, craftsman or any other persons performing any work on TENANT'S boat while in or on the premises of LANDLORD to first provide LANDLORD or his yard manager with a standard certificate of workman's compensation and liability insurance coverage in the amount of 5 million dollars in order to protect the health, safety, welfare and property of other Tenants. Failure to meet these requirements would require that TENANT'S boat be removed from the premises of LANDLORD for repairs. Bottom painting sanding or work that will allow debris to fall to the ground must be protected by placing plastic sheets under the boat. This plastic must be disposed of on a daily basis; sand blasting or spray painting is prohibited.

 12. Rent on space is DUE AND PAYABLE per contract.
- 13. TENANT duly authorizes LANDLORD, its agents or employees to move and/or operate TENANT'S boat during the making of repairs or for normal marine operations solely at TENANT'S risk.

- 15. TENANT AGREES THAT IN THE EVENT SUIT IS BROUGHT IN BEHALF OF THE LANDLORD AGAINST TENANT TO COLLECT AMOUNTS DUE OR TO BECOME DUE HEREUNDER, OR TO ENFORCE ANY APPROPRIATE MARITIME OR OTHER LIENS, THE TENANT SHALL PAY THE LANDLORD'S REASONABLE ATTORNEY FEES FOR SUCH SUIT OR COLLECTION PLUS COSTS AT PROVIDED BY LAW.
- 16. In the event TENANT fails to remove his boat and property from the space rented to TENANT at the termination of the space rental term as defined in contract of this agreement. LANDLORD may as its solo option (1) charge to TENANTS account rent daily on a prorated basis for each day or portion thereof the space is occupied; (2) avail itself of the remedies provided for in paragraph eighteen (18); and (3) avail itself of any other remedy available to LANDLORD under the law.

 17. If TENANT becomes delinquent in rental payments, the LANDLORD shall have the right to take over the property of the TENANT and to secure the property to the space occupied, or to store it in any other location. Space made vacant by the removal of property of the TENANT may then be rented to another tenant at the discretion of the LANDLORD.
- 18. INSURANCE: TENANT agrees that he will keep the boat fully insured with complete marine insurance, including hull coverage and indemnity and/or liability insurance. THE LANDLORD DOES NOT CARRY INSURANCE covering the property of the TENANT. TENANT agrees to indemnity and hold harmless from any and all liability, loss or damage caused by or to the subject boat which may arise out of failure of the TENANT to move the boat, the inability of the LANDLORD to reach the TENANT, or by the movement of the boat by the LANDLORD. In general, the TENANT shall be solely responsible for any emergency measures.
- 22. DRY STORAGE SURVEY AND INSPECTION: The TENANT authorizes the LANDLORD to thoroughly survey the boat for fire hazards at hauling or prior to moving to dry storage. TENANT understands that this regulation is formulated, enforced and conducted solely for the protection for the TENANT. The promulgation and enforcement of those rules and regulations, the conducting of the survey, the failure to acquire or fully perform a survey with respect to other TENANT(S) will not subject the LANDLORD to any duty or liability to the TENANT with respect to fire or explosion prevention or detection in general, any survey will be solely at the discretion of the LANDLORD.

- 26. ENTIRE AGREEMENT: This agreement contains the entire understanding between the TENANT and the LANDLORD and no other representation or inducement, verbal or written, has been made which is not contained in this agreement. LANDLORD and TENANT agree that if any paragraph or provision violates the law and is unenforceable the rest of the contract will be valid.
- 27. Dinghies and rubber rafts must be stored on owner's boat, or on brackets secured to the side of the dock. Dock boxes must be no larger than 72" wide, 26" high and 26" deep. They must be white and made of fiberglass. Dock steps must be secured to the dock, white and made of fiberglass. Dock wheels and dock guards must be of Taylor made quality.

Scott, I'm just tickled about everything after my first winter storing and commissioning with you. The boat has never run so well hitting higher RPM's after the alignment your shop did along with new gimbal bearings. It looks great too.

Richard C. Old Lyme

You guys do a good job Scott and I'm always happy with the service... Enjoy the rest of your summer.

Jay

These bathrooms are the nicest bathrooms I've ever been in! I actually like going into your bathrooms just to go in them.... everything you do is so meticulous. Your facility, trucks, and workmanship.

Victor A.

Scott, please send me the contract for winter storage as I am renewing again for the 15th year. Thank you. Great summer... the boat is running great!

I usually mind my own business and don't stick my neck out, but I have known Scott since 1994 and he is a growing star in the local marine business. His attention to detail and the customer is exemplary, and he is a perfectionist like me. Chris S. Old Lyme
